

*Hutchings High School
& Junior College*

**“Education is the foundation
upon which an individual builds
their future”**

Dear Parents/Guardians,

As we approach the end of the academic year, we want to take a moment to express our gratitude for the trust you've placed in Hutchings to educate and nurture your child. We're proud of the progress your child has made, and we're excited to continue our partnership with your family.

At Hutchings , we're committed to providing a world-class education that prepares students for success in an ever-changing world. Our dedicated faculty and staff, work tirelessly to create a supportive and inclusive environment that fosters academic excellence, creativity, and character development.

As you consider your child's educational options for the upcoming year, we invite you to reflect on the benefits of continuing at Hutchings. Our school offers:

- A rigorous and well-rounded curriculum that prepares students for higher education and beyond**
- A safe, supportive, and inclusive community that values and promotes social-emotional learning**
- A wide range of extracurricular activities and programs that foster creativity, teamwork, and leadership**
- A commitment to academic excellence, with a focus on critical thinking, problem-solving, and collaboration**

-Experienced educators having more than 10 years of service will provide personalized guidance and support.

We believe that Hutchings is the ideal place for your child to grow, learn, and thrive. If you're considering continuing your child's education with us, we encourage you to:

- Register [here](#) to secure your child's spot for the upcoming year

If you have any questions or would like to schedule a meeting with our administration, please don't hesitate to [contact us](#).

Thank you for your continued support. We look forward to partnering with you to provide an exceptional education for your child.

Hear from our alumni who are shaping their own successful futures.

Sincerely,

Principal

Hutchings High School and Jr. College, Pune

School was a memorable journey for me as being a part of it for 15 years helped me develop my overall personality, especially as a footballer who played at the national level for U-17 and U-19.

Being a Physical Education student helped me understand sports better, from fitness to game strategies, and also taught me valuable lessons about discipline and perseverance. The teaching faculty in junior college played a significant role in shaping me, providing guidance and support that contributed to my overall growth and development as an individual.

Apart from academics and sports, school gave me a great environment for learning, friendships, and personal growth. Eventually, I chose to pursue law, combining my passion for learning with the desire to make a difference.

~ Bhargavi Pawar

Hutchings has made a huge difference in my life

It was a place where I not only gained academic knowledge but also learned valuable life lessons through experiences, friendships, and sports. The college was incredibly supportive in every aspect, from studies to extracurricular activities, ensuring that students had the best environment to grow. One of the highlights of my journey was representing the college at the national level in sports.

The college always stood by me, providing the necessary resources, encouragement, and motivation

There are so many experiences made junior college a phase of life that I will always cherish.

I would also like to thank Rodney Sir who taught me physical education and showed me different options related to sports because of him now currently I am pursuing Masters in sports management in Symbiosis International University

Fifteen years ago, I walked through the gates of Hutchings School as a young child, unaware of the incredible journey lay ahead. Today, as I look back, I am filled with gratitude for experiences, friendships, and lessons that have shaped me the person I am.

Hutchings has been more than just an institution; it has been my second home. From my first classroom lesson to my last day at junior college, every moment has contributed to my growth. Beyond textbooks, Hutchings gave me a stage to express myself—be it through sports, cultural events, or leadership opportunities.

The friendships I forged here are treasures that will stay with me forever!

As I step into the next phase of my life, I do so with the foundation that Hutchings has given me.

Thank you, Hutchings High School & Junior College, for 15 years of love, learning, and unforgettable moments! 🥰💖🌟

Vrati -2024-25

I have spent 15 years in Hutchings High School and Junior college and these 15 years have helped me learn many things and have also shaped me into the person that I am today. The teachers here have pushed me to do my best and have always been there for me in times of struggle offering guidance and support.

The friendships that I have formed here have helped me understand the importance of mutual support, empathy and open communication.

Hutchings didn't just shape my academics but helped me become a more compassionate and confident person and I will always be grateful for all the lessons it has taught me throughout the 15 years I spent here.

All the experiences and the memories made at Hutchings will forever have a special place in my heart.

Divya Lulla
Class 12

Our Class 11 & 12....

The three years I spent at Hutchings have been the most memorable and transformative years of my life. They provided me with a nurturing environment to explore diverse opportunities, from standing for elections to engaging in various activities that shaped my confidence. More importantly, it gifted me lifelong friendships and a strong support system. The teachers were reservoirs of wisdom, guiding me with unwavering patience and care. Every moment at Hutchings has been enriching, leaving an indelible mark on the person I am today.

~Surya Belur

Bachelor of Chemical Engineering (Honours),
University of New South Wales, Sydney

My time at hutchings has been wonderful and memorable. The teachers were helpful and always available for solving our doubts. Hutchings helped me in improving my personality which shaped me into the person I am.

-Pary Rathod-2024-25(Class12)

Prisha
2024-25

My time at Hutchings has been instrumental in shaping me into the confident, resilient person I am today. Everyone involved in the past 14 years of my life in this school have helped me grow personally, emotionally and academically. Hutchings has helped me recognise and enhance my skills and work on my flaws." Failure is a stepping stone towards success", a quote our Principal always used to mention in the morning assembly has been my driving force throughout my time in Hutchings. I'll forever cherish the memories, lessons and relationships I've made in my school life. -Shrinidhi(2024-25)

Our Class 11 & 12....

If you're looking for a place that gives you the feeling of being heard, the opportunity to grow and a medium to nurture true friendships, Hutchings High School and Junior College will be your happy place. With teachers to help you pave a path of success and a campus made to achieve your extra curricular ambitions, you'll always end up leaving the campus with loads of memories, a new sense of self and a strong desire to return back everytime you get a chance.

My 15 years journey at Hutchings has been the most memorable years of my life. Through the school's unwavering support, especially from my Principal and teachers, I was able to achieve great things in football. The lessons I learned, both on the field and in the classroom, have shaped me into a stronger, more disciplined person. I will always cherish the memories of the victories, the challenges, and the friendships. Hutchings truly helped me grow to the kind of person I am today, and I will miss these years dearly. -Divya Basantani(2024-25)

My journey in Hutchings started when I was a four year old kid, since then until high school the journey has been unforgettable. No doubt, the teachers and the staff are incredible and not only teaching us about studies but also educating us with values and overall helping us grow into a better human being.

Personally I was more into sports and after my 10th I had the best option to continue with the junior college in Hutchings itself. I had taken Physical Education as one of my subjects after 10th which also helped me a lot to get to know more in deep about various physical aspects in my sport which is football. I also got a chance to represent Maharashtra at the CISCE National football tournament in 2023 and because of my physical education teacher and my coach, he helped me improve my daily routine and stay healthier and more disciplined which is also currently helping me achieve my career goal in Europe of becoming a professional footballer.

Thank you so much Hutchings and Ms. Rita Katawati.

-Ansh Sudhir Waghmare

Hutchings will forever hold a special place in my heart. The memories, lessons, and love I've received here have shaped me into the person I am today: confident, more compassionate, and well-rounded person.

The interactive classroom experiences and rigorous academic programs have not only sharpened my intellect but also instilled in me a love for learning. Through participating in events and playing games, I've developed essential skills like teamwork, patience, and confidence.

Hutchings has been more than just a school to me - it's been a home and a catalyst for growth.

-Divya Kavathekar-2024-25(Class12)

Hutching High School & Junior College

Indian School Certificate (ISC)

WHY ISC AFTER 10TH ?

- The Syllabus followed by the ICSE board is more comprehensive and complete, encompassing all fields with equal importance.
- Certification under the Indian Certificate of Secondary Education Board will be recognized around the world, particularly by foreign schools and universities when compared to the central boards local margin
- Due to the emphasis laid on English in ISC, students from this board hold an edge over other students in exams like IELTS and TOEFL.
- Facilities deeper understanding and better life skills and analytical skills

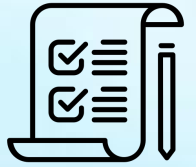

RULES & REGULATIONS OF ISC BOARD

- All candidates for the Examination must enter for English / Modern English (compulsory), with four or five elective subjects.
- No candidate shall be permitted to change his/her subjects(s) after 15th September of that year in which the candidate has registered in Class XI.
- No candidate shall offer a subject in Class XII which he/she has not studied in Class XI.

CONDITIONS FOR PASSING

- PASS CERTIFICATES will be awarded to candidates who at the ISC Examination attain the pass standard in four or more subjects which must include the subject English and have attained a pass grade in SUPW and Community Service as examined/assessed internally by the School.
- The pass mark for each subject is 35%.
- Minimum attendance required - 75%
- Candidates who have failed to secure a Pass Certificate and have been awarded a PCNA (Pass Certificate Not Awarded) in the current year of the ISC Examination will be eligible to appear for the Compartmental Examination. However, the candidates should have passed in English and two other subjects in the ISC Examination in order to be eligible to appear for the Compartmental Examination.
- In the Compartmental Examination, the candidates will be permitted to appear for ONE subject only.
